

Attention ATAF Members a reminder that your Florida License will **expire at midnight EST on September 30, 2018**. That date is a Sunday, so please be sure to complete your application by close of business on Friday the 28<sup>th</sup> September to be sure that a staff member from the **Florida Board of Athletic Training** office is available to answer any last-minute questions you may have.

There is a page full of renewal information (FAQs, fee breakdowns, online renewal instructions) on the Board [website](#).

Licensees may also contact the staff with any questions by using the email form [HERE](#) or by calling the Board office at (850) 245-4474.

Earlier this summer, license renewal notices were mailed to licensees, and the Board office is currently processing renewals for the upcoming biennium. There is less than a month left in the current renewal cycle so please use these links to help.
